

Honesdale Train Rides for kids from Carbondale Public Library:

--SRP talked with Jeff Hiller (570-470-2697) in the train office in Honesdale on August 25, and he said that if there are 30 kids or more in the group that they will reserve a rail car for the Carbondale group.

--a Saturday would probably be best, since each child would have to be accompanied by an adult: Saturday September 25 and October 2 would be good. On September 25, there is a train at 3 P.M.; on October 2, there are two trains, one at 3 P.M. and one at 5 P.M.

--the train ride is 1 ½ hours long

--fee for each child, \$9; fee for each adult is \$18

--CPL needs to get a bus for the group from Carbondale to the train and return

--someone (maybe Leigh Ann?) should travel with the group and serve as the group leader; CPL will pay train fee for CPL tour leader

--photos should be taken of the train trip for the weekly CPL Newsletter
